June 2021

Antisemitism

Assault, harassment and vandalism against Jews remain at near-historic levels in the U.S. The deadly attacks on synagogues in Pittsburgh and Poway have made American Jews feel more vulnerable than they have felt in decades.

In August 2017, our country saw a disturbing manifestation of antisemitism at the “Unite the Right” rally in Charlottesville, Virginia, where hundreds of marchers made Nazi salutes, waved swastika flags, shouted “Seig Heil” and “Jews will not replace us!”

The specific hatred of Jews; however, preceded the modern era and the coining of the term antisemitism. Among the most common manifestations of antisemitism throughout history were pogroms; violent riots launched against Jews and frequently encouraged by government authorities. Pogroms were often incited by false rumors that Jews used the blood of Christian children for ritual purposes.

Pogrom is a Russian word meaning “to wreak havoc, to demolish violently.” Historically, the term refers to violent attacks by local non-Jewish populations on Jews in the Russian Empire. The first incident to be labeled a pogrom is believed to be anti-Jewish rioting at Odessa in 1821. As a descriptive term, “pogrom” came into common usage with extensive anti-Jewish riots which swept the southern and western provinces of the Russian Empire in 1881-1884, following the assassination of Tsar Alexander II.

In 1879, German journalist Wilhelm Marr originated the term antisemitism, denoting the hatred of Jews, and also hatred of various liberal, cosmopolitan, and international political trends of the eighteenth and nineteenth centuries often associated with Jews. The attacks focused on civil rights, constitutional democracy, free trade, socialism, finance, capitalism and pacifism.

Antisemitism added a political dimension to their ideology of hatred. In the last third of the nineteenth century, antisemitic political parties were formed in Germany, France, and Austria.

The Nazi Part, founded in 1919 and led by Adolf Hitler, gave political expression to theories of racism. In part, the Nazi Party gained popularity by disseminating anti-Jewish propaganda. Millions bought Hitler’s book Mein Kampf (My Struggle), which called for the removal of Jews from Germany.

“I turned my mind to know and to search out and to seek wisdom and the sum of things, and to know that wickedness is folly and that foolishness is madness.” -Ecclesiastes 7:25

Sunday Service Times

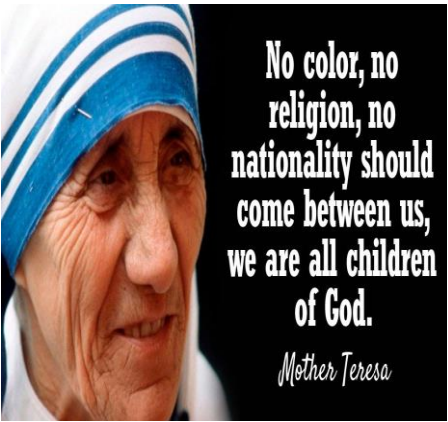

8:15 A.M. Worship

June 15	Holy Spirit		
June 16	Perfection		
June 17	Micah 6:8 NIV		
June 18	Peace		

Apps Used in Church

We are trying to create new and fresh avenues for people to connect to the church. Consider Sub Splash. Rather than fighting technology, the Methodist Movement has often embraced it with John Wesley being among the first to take full advantage of the printing press and moveable type.

The Book of Discipline (edited for brevity)

When persons unite as professing members with a local United Methodist church, they profess their faith in God, the Father, Almighty, maker of heaven and earth; in Jesus Christ his only Son, and in the Holy Spirit. Thus, they make known their desire to live their daily lives as disciples of Jesus Christ. They covenant together with God and with the members of the local church to keep the vows which are a part of the order of confirmation and reception into the Church:

1. To renounce the spiritual forces of wickedness, reject the evil powers of the world, and repent of their sin;
2. To accept the freedom and power God gives them to resist evil, injustice and oppression;
3. To confess Jesus Christ as Savior, put their whole trust in his grace, and promise to serve him as their Lord;
4. To remain faithful members of Christ's holy church and serve as Christ's representatives in the world.
